

A hand-drawn schematic diagram of a multi-story building. The diagram shows a central horizontal line representing a floor or ceiling, with dashed lines above and below it. Above the line, there are three rectangular rooms labeled 1, 4, and 6. Below the line, there are two rectangular rooms labeled 10 and 8. Vertical lines connect the rooms to the central horizontal line. A label 2 is on the left side of the horizontal line, and a label 3 is on the right side. There are also two black circular shapes at the top of the diagram, one above room 1 and one above room 6. The number 1/5 is written at the top center.

FIG 2

FIG 2 shows two perspective views of a rectangular container assembly. The left view shows a container 20 with a circular base 26, a vertical divider 24, and a vertical bar 32. The right view shows a similar container 22' with a circular base 26', a vertical divider 24', and a vertical bar 32'. A dashed line with an arrow labeled 1 points from the right view towards the left view.
